Camunda Business Partner Logo Usage Guidelines

Camunda business partner logos should always be displayed in the format they have been provided. Please do not distort or edit them. When displaying them please do not place them on low contrast yielding or busy background colors.

Do not change logo colors

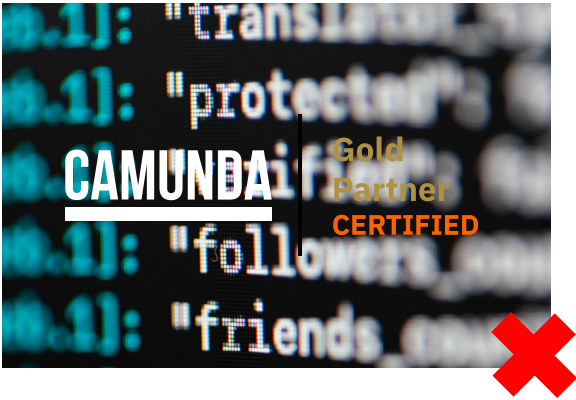

Do not add custom text

Do not edit, restack or redesign unapproved variations of logo

Do not use the logo on busy imagery that reduces legibility

Do not use logo on low contrast yielding background colors

Do not stretch, rotate or distort the logo in any way

Camunda Partner Logo Lockups in Layout

In layout, the Camunda partner logo lockup should have an equal, balanced visual weight with the partner’s logo.

When possible, the Camunda partner logo lockup should be placed in an opposing corner from the partner’s logo.

To avoid confusion, the Camunda partner logo lockup should not be directly locked up to other logos.

Camunda Connect Partner Awards Logo Lockups

The Camunda Connect Partner Awards logos are available for use by partners who have won an award category since 2022.

Please use the logo files provided, and do not try to update your logo year or title manually. See next page for additional logo usage guidance.

You may choose to display the winning year logo (left), your specific category logo (right), or both.

Logos for different years may be displayed near each other. Please ensure they are the same color variation (see next page for more details).

Camunda Connect Partner Awards Logo Color Variations

The Camunda Connect Partner Awards logos are available in light background, dark background, and monochrome versions. Please use the color variation that best suits your design.

Do not alter the logo designs in any way. See Pages 10–12 for additional logo usage guidance.

All logo files are available for print and digital use. Please contact brand@camunda.com if assistance is needed.
